

WINTER DRY STORAGE 2022-2023

1. This agreement is for the use of storage space only. Such space is to be used at the sole risk of the owner.
2. Winter dry storage begins September 15th, 2023 or when a vessel enters the yard and occupies space. June 15th, 2023 is the end of Winter Dry Storage. A storage fee of \$27.00 per ft. is due in full when a boat is stored. A finance charge of 2.5% per month will be assessed for all accounts more than 30 days past due. *Boats over 20 years of age* will be subject to a 2-year minimum deposit and agree for this marina to hold the title of the vessel until the vessel exits the yard.
3. Slipped vessels that agree to terms of Winter Storage will receive their 2022 Striper Slip rental free of charge. Striper slip rentals are from October 30th, 2022 until December 22nd, 2022.
4. Winter Dry Storage includes a travel lift haul out, bottom wash, storage in yard on block or on trailer and a relaunch in the spring, if done so before June 15th deadline. Boats in yard past the deadline will forfeit their launch and are subject to launch fees.
5. Boats in dry storage after June 15th 2023 are subject to Short Term Storage fees (\$10 per foot per week) or Summer Storage at the rate established for that season, but not less than \$32.00 per foot.
6. Electric is provided by the marina for the use of small hand tools, such as grinders, sanders, drills, etc. Water for washdown is provided. Bottom washing is not permitted by State law, see marina owners for options.
7. Owners are responsible for their guests and property while on marina premises, and release the marina from responsibility for injury or damage for any reason.
8. Guests are not permitted without the presence of the owner. No one is permitted to occupy a boat overnight while in dry storage.
