

## SLIP RENTAL AGREEMENT 2023

This agreement is for the use of marina facilities only. Such facilities are to be used at the sole risk of the owner(s) and guests of the boat described below.

Slip rental begins April 1<sup>st</sup> and ends October 30<sup>th</sup>. Slip rental may be paid in installments. Boats that have paid in full and provided all necessary paperwork may request early entry for striper fishing. A deposit must be received by September 30<sup>th</sup> in order to reserve a slip. Boaters must check-in with the front office prior to docking in assigned slip to assure all paperwork is accurate and on file and there is no balance outstanding. Boaters must also check-out if the rented slip is to remain vacant for a period of longer than 1 week or when a boat has left its slip for the season. Vacant slips can and will be rented to transient boaters.

Boats in slip after October 30<sup>th</sup> are subject to a monthly storage fee equal to 50% of the regular season rate, unless winter slip rental or storage is arranged. Winter storage customers will receive their striper slip rentals free of charge.

Boat owners are responsible for the safety of themselves and their guests when aboard their boats or on marina property or structures, and release the marina from responsibility for damage or injury for any reason. Guests are not permitted without the owner present. Children under 12 years of age must wear life jackets when on marina property. No children shall at any time be left unattended.

No attachments to the dock of any kind are permitted, excepting mooring lines. Fendering should be attached or suspended from the vessel occupying the slip. Dock boxes, if required, will be provided by the marina for an annual rental fee or approved by the marina prior to placement. No furniture, trash receptacles, crab traps, or other materials are to be left on the dock.
